- (2) Aries Agro Limited (hereinafter referred to as “ARIES” or “Company”) recognizes that there are situations in which Related Party Transactions might be in, or at least not inconsistent with, the best interests of ARIES and its shareholders. Such situations could include, without limitation, situations in which ARIES could obtain products or services of a nature, quality or quantity, or on other terms, that are not readily available from alternative sources or in which ARIES could provide products or services to Related Parties (as defined below) on an arm’s length basis on terms comparable to those provided to unrelated third persons.

(Note – To the extent limits of materiality under Companies Act, 2013 are inconsistent with the Listing Regulations, stricter interpretation shall be applied for all those transactions, which are not at arm’s length or in ordinary course of business).

- (2) “Related Party Transaction” is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its Subsidiaries) was, is or will be a participant and in which any Related Party (as defined below) had, has or will have a direct or indirect interest.
