

ARIES AGRO LIMITED
Training/Familiarisation Programme to Independent Directors-13.02.2019

All the three Independent Directors are qualified Professionals and are the Members of their Professional Bodies by virtue of which they keep on getting the regular Legal and Regulatory updates. The Company also gives detailed Legal & Regulatory updates, from the last meeting to the current meeting, in the Agenda of the Audit Committee and the Board by which they get self trained. In view of the above no separate Training was imparted.

As required under Regulation 25(7) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company has taken following steps to Acquaint and Familiarize the Independent Directors in respect of the items specified therein;

1. Factory Visits from time to time.
2. Inviting them at the Annual Sales Meets.
3. Briefing at the Board Meetings by the Managing Directors as regards the Business Model of the Company and Modifications made from time to time.
4. Briefing by the Managing Director of the International scenario and Government Policies for the Micro Nutrient/Fertilizer Sector which are the main Products of the Company.
5. Presentation by functional heads.
